

710M Schematic Legend

- | | | | | | |
|---------------------------------|-------------------------------|---------------------------------------|---------------------------------------|-----------------------------------|---------------------------------------|
| 1. Headlight w/parking light | 16. Brake indicator * | 26. Headlight switch | 35. Regulator | 46. Tail light, R & L | 57. Aux. drive indicator * - optional |
| 2. Heater indicator – optional* | 17. Fuel gauge w/lamp | 27. Turn signal/highbeam switch | 36. Starter | 47. License plate light | 58. Blower |
| 3. Front turn signal | 18. 4500 RPM indicator * | 28. Horn button | 37. Spark plugs | 48. Socket, 7-pin | 59. Blower switch |
| 4. Low brake fluid sensors | 19. Parking brake switch | 29. Aux. power socket | 38. Distributor | 49. – | 60. Switch, aux. power socket |
| 5. Wiper motor | 20. Connector – 1 pin | 30. Idle cutoff switches (4 on carbs) | 39. Ignition coil | 50. 4x4, diff lock indicators | 61. 4500 rpm module |
| 6. Blackout lamp - optional | 21. Wiper switch | 31. Starter button | 40. Suppressor | 51. 4x4, diff lock switches | 62. Switch, hazard lights |
| 7. Horn | 22. Reading lamp | 32. Fuel level sender | 41. Primary resistor to ignition coil | 52. Gas heater – optional | 63. Connector for radio |
| 8. Headlight relay | 23. Circuit breakers (12) | 33. Connectors | 42. Batteries (2x12V) | 53. Relay – battery main switch | 64. Socket for charger – optional |
| 9. Brake switch | 24. Turn signal relay flasher | 34. Alternator | 43. Oil pressure switch | 54. Battery main switch | 65. Diode |
| 10. Speedometer lamp | 25. Ignition switch | | 44. Brake light/turn signal | 55. – | 66. Resistor |
| 11. High beam indicator * | | | 45. Camo light, R & L - optional | 56. Switch, aux. drive - optional | 67. Connector box in rear |
| 12. Turn signal indicator * | | | | | * on Combined indicator strip |
| 13. Hazard light indicator * | | | | | |
| 14. Charging indicator * | | | | | |
| 15. Oil pressure indicator * | | | | | |
